There are buttons for 'Pre-declare your voting intentions' and '+ Add resolution to the database', along with an 'Export' button. The interface shows 572 resolutions and a search bar for resolutions. Below this are several filter sections: 'Resolution ask' (Select resolution ask), 'ESG theme' (Select ESG theme), 'ESG sub-theme' (Select ESG sub-theme), 'Status' (Buttons for 'Filed' and 'Voted'), 'Company' (Search company), 'Company HQ' (Select Company HQ), and 'Company sector' (Select company sector). There is also a toggle for 'Show only resolutions filed or co-filed by PRI signatories'. At the bottom, a table displays resolution details:
